SUMMARY

I'm Mahesh, a passionate and driven B-Tech student currently pursuing my degree at Marri Laxman Reddy Institute of Technology and Management. With a strong interest in UI/UX design and web development, I am dedicated to creating intuitive and engaging user experiences that blend functionality with aesthetics.

I have a solid foundation in various programming languages, including C, Python, and JavaScript, which I continuously strive to enhance through self-learning and practical application. My curiosity and enthusiasm for technology drive me to explore new skills and stay updated with the latest industry trends.

In addition to my academic pursuits, I am committed to expanding my expertise in the tech industry by undertaking personal projects and collaborating with like-minded individuals. My goal is to contribute meaningfully to the field of technology, whether by designing user-friendly interfaces or developing efficient and robust web solutions. I am always open to new opportunities and collaborations that challenge me to grow and push the boundaries of what technology can achieve. Feel free to connect with me as I continue my journey in the dynamic world of technology.

EDUCATION

bachelor of sciences

Marri Laxman Reddy Institute of Technology and Management (MLRITM)

• The institute is situated at Dundigal, Hyderabad, Telangana • 2027 • 7.7

COURSEWORK

Printed circuit board(PCB)

Central institution of tools Design(CITD) • 2024 • Printed circuit board(PCB) in the kicad software

• A Printed Circuit Board (PCB) is a crucial component in most electronic devices, serving as the foundation for electrical circuits. It's a flat board, typically made of non-conductive material like fiberglass, that supports and connects various electronic components using conductive pathways, or "traces," etched from copper sheets laminated onto the board

SKILLS

Technical Skills: Web Development

Programming Languages: C, Python, JavaScript

UI/UX Design: Wireframing, Prototyping, User Research, Adobe XD, Figma

Soft Skills: Communication Skills
